

Statement of Faith

We Believe Calvary Chapel Church has been formed as a fellowship of believers in the Lordship of Jesus Christ. Our supreme desire is to know Christ and to be conformed into His image by the power of the Holy Spirit. We are not a denominational church, nor are we opposed to denominations as such, only their overemphasis of the doctrinal differences that have led to the division of the Body of Christ.

We Believe that the only true basis of Christian fellowship is His (Agape) love, which is greater than any difference we possess. Therefore: Without His love, we have no right to claim ourselves to be Christians.

We Believe worship of God should be Spiritual. Therefore: We remain flexible and yielded to the leading of the Holy Spirit to direct our worship.

We Believe worship of God should be Inspirational. Therefore: We give great place to music in our worship.

We Believe worship of God should be intelligent. Therefore: Our services are designed with great emphasis upon teaching the Word of God that He might instruct us how He should be worshipped.

We Believe worship of God is Fruitful. Therefore: We look for His love in our lives as the supreme manifestation that we have truly been worshipping Him.

Please call or e-mail us if you need any assistance or want more information about Calvary Chapel and the times of our services. May God richly bless you.

New Life: What Is It

Bible study #2

When you opened your heart and by faith received Jesus into your life, you became a child of God. Galatians 3:26 reads "You are all sons of God through faith in Christ Jesus." You have entered into a life that will last throughout all eternity. Let's look in the Bible to learn some things that will get you started on the right track.

1. What does 2nd Corinthians 5:17 say happened to you when you entered into Christ?

2. Read Galatians 2:20. From whom does Paul say that his life comes?

Back To The Cradle

3. In Matthew 18:3, what does Jesus say that we must do to enter the kingdom of heaven?

4. How are we described in 1 Peter 2:2, and what are we to seek?

5. Again, in 2 Peter 3:18, what does God want to see us do? _____

One of the facts of life is that babies should grow and mature. This is not only true in the physical realm, but in the spiritual realm as well. You will really begin to understand and appreciate what it means to be “Born Again” as you see yourself growing up in the Lord into a new person.

Another fact of life which we should remember is that babies are weak, and incapable of doing too much right away. God knows this, and doesn’t expect you to be spiritual giant overnight. Can you imagine how clumsy a baby would be if it did all of its growing in a few weeks?

Many times a new “baby” Christian will become very excited and try to do things that he or she is not ready for yet; like moving away, trying to change everybody overnight, or getting into some big project. What often happens is they expect too much, and then get discouraged. Don’t fall into this trap.

6. Notice what Jesus said to the man He healed in Mark 5:19. Was this man told to start off on a new journey, or stay where he was for the time?

7. What kind of life does 1 Thessalonians 4:11 say we should lead?

Be On The lookout- Changes Ahead

This new life you have, will manifest itself as God begins to bring changes into your life. He does this because He loves us and knows the best kind of life for us to live. Following are some areas where changes take place.

Read over these questions and think about how God would have your life become new. Perhaps you may think of specific areas where these apply in your life. In this way, God speaks to us and makes His word part of our life.
